St. Thomas Episcopal Church in the City of New York is situated on Fifth Avenue at 53rd Street. It is the outstanding example of Gothic church architecture in America, founded in 1823, and opened for worship on the present site in 1913. The church building is noted for its sculptured stone reredos, its carved woodwork, and its beautiful stained glass windows. A choir school is maintained by the parish.

POST CARD

Address

Dear C
Thank you for the
birthday card with
letter. Will write soon.
I didn't do many
landscapes in Addingham,
mostly people & the
children so don't have
anything suitable.
